

Horse Blankets and Horse Caps

193456 UV Fly Blanket HVPNena

Safety Data Sheet for Horse Blankets and Horse Caps

Product: Horse blankets and horse caps

Usage: These products are used to protect horses from weather conditions and provide them with comfort.

Materials:

Horse blankets: fabric (cotton, polyester, waterproof materials), filling material (polyester fiber)

Horse caps: fabric (cotton, polyester, fleece), fasteners (velcro, buckles)

Dangers:

Choking hazard: Small parts such as caps or loose components can be swallowed, which is particularly dangerous for young animals.

Mechanical hazard: Improper use or damaged accessories can lead to injury.

Chemical hazard: Some materials may contain chemicals that are harmful to health and can cause skin irritation or allergic reactions.

Flammability: Some fabrics and filling materials may be flammable.

Safety Measures:

Handling: Use the products only according to the manufacturer's instructions.

Inspection: Regularly inspect accessories for wear or damage and replace defective parts immediately.

Storage: Store products in a dry, cool place, away from direct sunlight and extreme temperatures.

Cleaning: Follow the manufacturer's care instructions to keep the accessories clean and in good condition.

Supervision: Do not leave your horse unattended, especially if it is using the accessories for the first time.

First aid measures:

Mechanical injuries: Take care of any injuries and consult a veterinarian if necessary.

Chemical reactions: In case of skin irritation or allergic reactions, remove the accessories immediately and consult a veterinarian.

Choking hazard: Consult a veterinarian immediately if any part is swallowed.
