Paddock fences and accessories

Product 402266 Torgriff Premium + Seil- Litzenschnellve

Use: Paddock fences and accessories are used to fence and secure grazing areas for horses and other animals.

Materials:
Posts: wood, plastic, metal (e.g. steel, aluminium)
Fence tapes: plastic (e.g. polypropylene), nylon, stainless steel
Insulators: plastic, ceramic
Gates: metal (e.g. steel), plastic

Dangers:
Mechanical hazard: Improper use or damaged accessories can lead to injuries to humans and animals.

Electrical hazard: Electric couplings are at risk of electric shock.

Fire hazard: Some materials are flammable and should be kept away from open flames.

Choking hazard: Small parts such as screws or clips can be swallowed, which is especially dangerous for children.

Allergic reactions: Some materials can cause allergic reactions in sensitive individuals.

Safety Measures:

Handling: Use the paddock fence and accessories only according to the manufacturer's instructions.

Use: Regularly check the accessories for wear or damage and replace any defective parts immediately.

Storage: Store accessories in a dry, cool place, away from direct sunlight and extreme temperatures.

Electrical safety: Make sure electrical couplings are properly installed and there are no loose connections.

Care: Follow the manufacturer's care instructions to keep the accessories in good condition.

First aid measures:

Mechanical injuries: Take care of any injuries and seek medical help if necessary.

Electrical injuries: In the event of electric shocks, immediately cut off the power supply and seek medical help.

Allergic reactions: If there are signs of an allergic reaction, clean the affected area thoroughly with water and seek medical help if necessary.

Risk of ingestion: Seek medical help immediately if any part is swallowed.
