Cycling helmets

Product 810364 Casco Activ Prime

Safety Data Sheet for Cycling Helmets, Spare Parts, Cycling Accessories and Sunglasses

Product: Cycling helmets, spare parts, cycling accessories (e.g. bike care sets) and sunglasses

Usage: These products are used to protect the head while cycling, maintain and care for bicycles, and protect the eyes from sunlight and wind.

Materials:
Cycling helmets: polycarbonate, EPS foam, nylon, metal fittings
Spare parts: plastic, metal, rubber
Wheel accessories: plastic, rubber, metal, textiles, care products (such as cleaning fluids and lubricants)
Sunglasses: plastic, polycarbonate, glass, metal

Dangers:
Mechanical hazard: Improper use or damaged accessories can lead to injury.

Choking hazard: Small parts such as buckles or loose components can be swallowed.

Chemical hazard: Some cleaning products and materials may contain chemicals that are harmful to health and can cause skin irritation or allergic reactions.

Flammability: Some materials may be flammable.

Safety Measures:

Handling: Use the products only according to the manufacturer's instructions.

Inspection: Regularly inspect helmets and accessories for wear or damage and replace defective parts immediately.

Storage: Store products in a dry, cool place, away from direct sunlight and extreme temperatures.

Cleaning: Follow the manufacturer's care instructions to keep the helmets and accessories clean and in good condition.

Supervision: Do not let small children play unsupervised near the accessory.

First aid measures:
Mechanical injuries: Take care of any injuries and consult a doctor if necessary.

Chemical reactions: In case of skin irritation or allergic reactions, remove the accessories immediately and consult a doctor.

Choking hazard: Seek medical attention immediately if any part is swallowed.
